a Number.

OTHER MACHINE ESCAPED

Number Gould Got That of Car Whose Owner Says He Hit No One, He's Sure.

Edwin Gould, Jr., and a boy friend were severely shaken up last night when an automobile in which they were riding was in collision with another machine on the Arch road, between Dobbs Ferry,

in which there was a party including some young women, and chased the auto which caused the accident, until he got the number, which he thinks was 36157 Then he hurried to a telephone

Mr. Gould said the driver of the car Gould car had been injured. He said the machine was headed toward Ossining and he hoped the police of that villag would be able to head off the car and ar

at his home in Ossining last night.

He denied that he had been in a colMsion with any one during the afternoon
or evening. He said he was with his wife
all evening in their car. He did remember,
however, that while he was on his way
home shortly before 9 o'clock he passed a
machine which he now believed to be the
Gould car. A few minutes later, he says,
another machine, filled with several
hilarious young men, passed him, going
in the same direction, at great speed. He
says he believes if there was a collision
in that vicinity it was the car that sped
past him that was in it. past him that was in it

en's national amateur championship, to be held over the links of the Essex County Club, Manchester, Mass. September 30 to October 5, will close with Robert C. Watson, the secretary of the association, 70 East Forty-fifth street, this city, on Mon-day, September 23, at 6 o'clock. All en-tries must be made through club secretaries and must be accompanied by the entrance fee of \$5

The rules of golf committee of St. Andrews recently issued the following de

sions on questions submitted: Hallamshire Ladies Golf Club-A and B competed in a stroke competi-tion. At the fifth hole A was taken ill and retired. A marker was sent for to the clubhouse to mark for B, for to the clubhouse to mark for B, but before the marker arrived B played three holes with another couple in competition, C and D. B's reason for joining C and D was the fear of being disqualified for discontinuing play. Was B disqualified, and were C and D disqualified? Answer-Under the exceptional circum

n, a circumstance which by the rules of golf, the see is of the opinion that their best and that the fallamshire Ladies Golf

Hyde Golf Club—A and B com-peted in a stroke competition. B placed A's card in the box kept for cards without signing. Almost immediately afterward B asked the secretary to open the box to allow him to sign the card. This the secretary refused to do. (1) Was the secretary stifled in his refusal? (2) Was A

olton Golf Club-A and B play together in a medal competition for a challenge cup. There is also an op-tional sweepstake. A and B agree to divide the sweep if either wins. Are their competition cards thereby af-

Answer—A and B were within their rights in making their own arrangements regarding the sweepstake if either of them was a winner. The optional sweepstake is really a separate competition, and any irregularity regarding the division of the sweepstake would not have affected their cards for the medal round.

Wimbleton Town Golf Club-In the final match play tournament A played a stroke in a bunker, but did not get the ball out of the bunker. Before playing his next stroke he smoothes with his foot the heel marks made by his stance. This in no way improved the lie of his ball, which lay several feet in front of the position from which it had been played. The op-ponent, B. said, "I think I could claim the hole, but I will not do so under the peculiar circumstances," (1) Did A lose the hole by smoothing the heel marks? (2) Are A and B both disqualified under rule 2 of the special rules for match play competi-tions? (3) Has the committee the power to interfere unless asked to do so by A and B and formal objection raised?

Huyton Golf Club—In a stroke competition A discovered on reaching the first putting green that his putter was not among his clubs. He sent his caddle for it and before he received it and holed out with it two couples had passed. (1) Did A commit a breach of stroke rule 2 (1)? (2) Should A be disqualified? Answer (1) Ye

Thanet Ladies Golf Club-In a stroke competition a competitor re-turned a card marked as for a bogey competition and was under the im-pression that she was paying in a bogey competition. The score for each hole is correctly marked. Should the card be accepted?

Answer—If the competitor observed the ules for stroke play throughout the round he card is in order, as the score for each ole is correctly marked.

mistaken. It will be a crime, with a jail sentence attached, to indulge in any kind of a contest with gloves in the State of New York. The law may exempt schools and other institutions of learning, however, provided no public or private exhibitions are held by them for

Practice for Vanderbilt Cup Begins
To-day or Tuesday.

MILWAUKEE, Sept. 15.—The Vanderbilt
Cup racecourse was so near completion
to-day that the drivers and officials were
able to go over the entire circuit in light
cars, but were willing to give the road
a few more hours to get hardened before

"The present boxing law has prevented
sham and chicanery on the part of promoters. It has done away with grafting by individuals who have the enforcement of laws in their hands. But in view
of the hue and cry against the sport, it
may be well to kill it altogether. Selfishness and jealousy are making trouble,
also causing unpleasant notoriety."
The Horton law permitting twenty-five

cars, but were willing to give the road a few more hours to get hardened before trying their big machines.

Practice racing will start possibly Monday and surely on Tuesday. All of the drivers are now here, the last to arrive being Erwin Bergdoll, son of the Philadelphia brewer. Bergdoll, will drive his big Benz in the Grand Prix only, the car being too heavy to be eligible for the Vanderbilt event.

Caleb Bragg, the Cincinnati capitalist, is putting in a new carburetor, which he believes will enable him to get more speed out of his machine. If the change does not prove effective he will replace the old carburetor before the race.

Bruce Brown, De Palma, Mulford and other drives.

It will be recalled that one of the leading clubs having arranged a bout between Bill Lang and Al Kaufman sold nearly \$20,000 worth of tickets only to be notified by the police a few hours before the field by the police a few hours before that fied by the police a rew nours before the contest was scheduled to take place that the principals would be arrested. The club had been operating under a Supreme Court injunction, but the police threatened Court injunction, but the police threatened than this one run off under the direction than the contest of the con

Mahnken of the Colonial Yacht Club. The course was from 140th street to Rockland Light and return. W. Lindeman's Snapshot, the scratch boat, made the fastest time over the course, covering it in 4 hours 27 minutes 50 seconds.

A. Robinson's Abby May, which took 15 minutes 12 seconds longer to cover the course had a time allowance of 2 hours 18 minutes 9 seconds and probably will be delared the winner. A protest now under consideration may change the final result.

Former Gov. Hughes also notified the Sheriff and District Attorney of New York to course hour between Lang-ford and the late Stanley Ketchel that local promoters intended to pull off under the provisions of the corporation membership law. The county officials were not compelled to act, however, for the course had a time allowance of 2 hours 18 minutes 9 seconds and probably will be est hestitation. Boxing under the corporation membership law, therefore, was indeed to come through with flying colors in the lower. Both justified the prediction, but to the had hard three set matches in the lower. Both justified the prediction, but to come through with flying colors in the lower. Both justified the prediction, but the semi-finals before they put the best of the oil brigade out of the running.

The final was umpired by the prize umpire, for a competition had been in progress during the tournament for the most popular arbiter, most of whom were young women. This was decided by vote of the corporation but had hard three set matches in the lower. Both justified the prediction, but the lower. Both justified t est hesitation. Boxing under the corpora-tion membership law, therefore, was il-legal and depended entirely upon the tolerance of the city administration. The idea of going back to such conditions, af-ter the Frawley statute has been wined fair young officials.

the St. Nicholas A. C. that he will insist up to the net for his overhead smashes upon the fulfilment of the engagement of Cross to box Young Jack O'Brien and Matty Baldwin within the next three weeks. If the club refuses to employ shown when the first set went to deuce before Man rolled off the two games to the Supreme Court for a writ of certicari in order to have the commission's alert in the second and helped by Man's ruling revived Wallach maintains that the boxing law provides for suspensions in the cases of fake bouts and does not cover violations of the rules against foul and Man had to make the most of his favority position in milder that the cases.

city when he met with his death. While riding at a fast rate of speed along the Amboy road a stray dog ran out from the sidewalk and followed Walling and barked at him. Walling tried to kick the dog and indoing so he lost control of his motorcycle, which swerved to the right and crashed into a big elm tree. Walling was thrown to the hard macadam road on the back of his head.

Dr. H. Jessup of New Dorp was summoned and found that Walling had sustained a compound fracture of the back of the skull. He was removed to the S. R. Smith Infirmary at New Brighton, where he died a few hours after his arrival. interference with the regular weekly show Kelly Has Eye on Diamond Sculls.

PHILADELPHIA. Sept. 15.—Jack Kelly, captain of the Vesper Boat Club, is training for the diamond sculls in England. Although the event is two years off. Kelly of the same length. of the same length.

Luther McCarty's impressive victory over Jim Barry in Pittsburg Saturday night would seem to indicate that the conqueror of Carl Morris is still worthy of consideration. If a bout with Jim Fiynn is arranged and McCarty is successful he will come back here prepared to begin another campaign against the white hopes. other campaign against the white hopes.

Champion Kilbane will have to step

Mike Gibbons will be matched with the winner of the bout between Eddie Mc-Goorty and Jack Harrison, the British mid-dleweight champion, next week providing the weight is 154 pounds at 3 o'clock. It is doubtful if McGoorty can reduce to that notch, but Harrison, it is said, can easily make it.
